

20 PRODUCTS MADE BY CHILDREN

Do you know some of the most basic products used by all of us are produced by children? Though a proper data is difficult to find, it is estimated that there are 5.5 million children worldwide in forced labor.

According to U.S Department of Labor (DOL), there are some 128 goods that most commonly use child and forced labor.

Check out 20 products that are made by child and forced labour, and the countries where they are made.
